### FRONTEND DEVELOPER

December 2024 - Till date | Self Employed

After gaining experience in the IT field, I developed a strong interest in web development and dedicated myself to learning it. Over time, I worked on several projects as part of a team, collaborating to build user-friendly and efficient web applications. Through these experiences, I honed my skills in frontend technologies, problem-solving, and best coding practices. I am continuously improving my expertise, staying up-to-date with the latest trends in web development to create high-quality digital experiences.

### Computer network specialist

Feb 2022 - Jun 2022 | [GeekSpace Turkmenistan](#)

In my fourth year at university, I began working as a **Computer Network Specialist** at [GeekSpace Turkmenistan](#) in February 2022. This opportunity allowed me to gain a solid foundation in computer networking and develop a strong understanding of how the internet works.
